A word from our directors

You might be wondering **how we can offer such incredible value** for weddings at The Sessions House. It's a fair question!

We want to assure you that our pricing reflects our values, not a lack of quality. We're passionate about creating magical memories, not maximizing profits. We have a long-standing reputation for supporting our local community, often at our own cost, because we believe in giving back.

Furthermore, by hosting weddings regularly, we streamline our operations and minimise overhead costs associated with frequent set-up changes and receive exceptional offers from our wedding pros. This allows us to pass those savings on to you. It's a win-win: you get an exceptional wedding at an exceptional price, and we get to do what we love – helping couples celebrate their love stories in this beautiful, historic space.

REVIEWS

The team was incredibly supportive and accommodating throughout the planning process, making it an enjoyable and stress-free experience. Their professionalism and attention to detail made all the difference, and we're so grateful for everything they did to make our day unforgettable.

FRANKIE & AARON

It felt like they genuinely wanted us to have the best possible wedding, rather than just trying to squeeze money out of us. All the staff members we interacted with gave the same impression. They were all so focused on helping us create amazing memories. It made such a difference to our whole experience.
