Frequently asked questions, answered

More questions? Contact Us directly

Should I choose dry hire or a more comprehensive package?

Dry hire offers maximum flexibility to personalize everything, but requires more planning and coordination. A package is more convenient and often cost-effective, especially if you like the venue's style.

Do you have the same price all year round?

Yes, our price stays the same through the year. We're passionate about creating memories and we think that's far more important than chasing seasonal profits.

Where can I have my ceremony?

You can choose from our courtroom, the gallery, emerald room or outside courtyard as your licensed wedding ceremony location.

Can I invite more guests in the evening? Is there an additional charge?

Of course you can, our maximum capacity is 200 for evening. And there is no additional charge for evening guests.

Are there any other charges I should be aware of?

We believe in transparent pricing, there are no hidden charges. Potential additional payments are below:

1. Damage deposit: £500 refundable
2. Early access: you have up to 3 hours before your wedding to set up decorations, additional time will be charged at £100 per hour
3. Late finish: Our standard finishing time is midnight, we can extend beyond this time at £150 per extra hour.

FRANKIE & AARON

It felt like they genuinely wanted us to have the best possible wedding, rather than just trying to squeeze money out of us. All the staff members we interacted with gave the same impression. They were all so focused on helping us create amazing memories. It made such a difference to our whole experience.
